CUSTOMS

Booth fitting material and exhibits can be imported duty free on a temporary basis against either a ATA carnet or a Customs Bond which Inter ExpoLogistics can supply against payment of a bond fee.

Printed matters such as catalogues for free distribution at **ICPIC 2021** can be imported duty-free. This also refers to CD-ROM catalogues.

However, give-aways such as pens, lighters, T-shirts, etc. are subject to the payment of duties and VAT. So does any kind of foodstuff or alcoholic beverage.

Therefore, it is advisable to contact Inter ExpoLogistics Ltd. Before shipping such goods in order to obtain precise details about the charges you will have to pay.

It is important to know that the CICG (Centre International de Congrès de Genève) facilities do not have their own Customs Office. Swiss import customs formalities have therefore to be performed at the Airport, Truck or Rail Terminals or at the Swiss border entry points. Please allow sufficient time for these formalities and therefore respect the above deadlines. It is important in this respect to liaise with Inter ExpoLogistics.

DOCUMENTS REQUIRED

Commercial invoices and packing lists (they can be combined in one document) 5-fold, indicating quantity and exact nature of goods, gross and net weight and value for each item shipped, as well as weight and dimensions of each package in the shipment. A separate invoice should be made out for printed matter and give-aways.

DELIVERY TERMS

All consignments must be sent on freight prepaid terms.

INSURANCE

Handling of stand material and exhibits on site is at the exhibitor's risk. The same applies should goods disappear on-site. It is therefore strongly recommended that insurance is taken out to cover the above risks. Inter-ExpoLogistics will supply such insurance only on receipt of a written request from the exhibitor.

RETURN TRANSPORT

Return transport will be organised by Inter ExpoLogistics who will contact each exhibitor separately.

EMPTIES

All empties will be removed from the stand as promptly as possible, at the latest on Tuesday Sept 14th 2021 at 12h00 and stored at the risks of the exhibitors. After the show, they will be returned to the stands. Please allow sufficient time for their return to your stand. Do not plan too early departures. Please make sure all empties are labelled showing your name and your booth number.
